Mr. James Davey, Clerk
U.S.District Court for the
District of Columbia
Washington, D.C.

Dear Mr. Davey,

In ruling against me in C.A.2569-70 Tuesday, Judge Gesell told me I have the right to appeal. I was pro se. I told him this was without meaning because I am entirely without means. Judge Gesell then told me the appeals court would help me. Accordingly, I wrote the clerk of that court to this effect.

Mr. Paulson has just phoned me to tell me that first I must obtain the forms for filing in forma pauperis from you and submit them to Judge Gesell for his approval. Accordingly, I write to ask this of you.

I would appreciate it if you would send me these forms as soon as possible because I am anxious to proceed with this without avoidable delay.

Thank you very much.

Sincerely,

Harold Weisberg
